Welsh and bilingual

Business Studies and ICT

Llywodraeth Cynulliad Cymru
Welsh Assembly Government

2008/2009

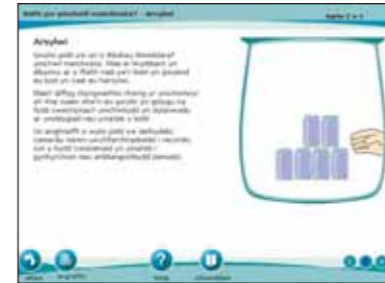

Teaching and learning resources commissioned/funded by the Welsh Assembly Government

NLN Resources

NEW

A collection of multimedia resources originally developed by National Learning Network (NLN) are available now that place a strong emphasis on interaction. The units have been tailored for use by vocational subject students and examine:

- costs and revenues • profit and loss
- customer needs • what market research is
- how to carry out research • acting on findings • employers and employees
- training and promotion • motivation • ownership • what ICT can do for business • consumer protection.
