ADVANCED DIPLOMA - INDIVIDUAL INVESTIGATIONS

Name: School/College

Criteria	Good	Middle	Bare	Fail
Select and use appropriate skills and techniques				✓
Select and use relevant knowledge			✓	
Show clear understanding				✓
Give an evaluation and conclusion			✓	
Final outcome				✓

If the final outcome is considered to be a good or middle pass, indicate the three main **strengths** of the Investigation:

- 1.
- 2.
- 3.

If the final outcome is considered to be a bare pass or fail, indicate the three main **weaknesses** of the investigation and three ways the investigation could be **improved**.

Weaknesses:

1. Inability to organise the material selected for use and this leads to a lack of focus in the Investigation.
2. Far too many general statements. The student is uncertain about what he/she is investigating. Therefore the work lacks a convincing evaluation/conclusion.
- 3.

Improvements:

1. Keep it simple - look at the title and clarify clear issue and aims.
2. Would benefit from a questionnaire and primary data.
3. Needed more support in both designing and monitoring of the Investigation as it went along.
